REPORT FROM  
EXECUTIVE OFFICER

Kenneth Kato, Executive Officer, informed the Commission that plans are progressing to recognize classified employees during Classified School Employee Week in May.

Greggory Robinson, Personnel Analyst, reported 52 recruitments are in various stages of the examination process with 26 accepting applications, four in exam development, nine in scoring, and 13 that are in testing. Mr. Robinson mentioned that while online testing continues, in-person testing at the Personnel Commission offices has also resumed, providing additional flexibility to move more applicants through the testing process.

Dale Culton, Certification Services Manager, informed the Commissioners that recent hires included 31 probationary employees, 11 promotional candidates, 26 substitutes, and one provisional candidate. Mr. Culton mentioned that on March 17, 2021 the Board of Education approved the abolishment of 14 positions and the reduction of one. Mr. Culton explained that while several individuals will be laid off, the majority of the affected employees have accepted placement in other positions and will not be affected negatively by the layoff.

Susan Leaming, Personnel Analyst, provided an update to the Commission on the progress of the School Safety job family study. Ms. Leaming reported that the first virtual CalPERS retirement workshop will be held this afternoon and thanked Aisha Alex, Human Resources Assistant, for her assistance sending correspondence and assisting employees to sign up for the workshop.

Mr. Kato shared that students have returned to the Cubberley interim site located on the Monroe campus and it is nice to have students back on the site.

Commissioner Ulaszewski commented that having students on site is a direct reminder that the Commission's work is to recruit and develop classified employees which will lead this generation of students.

Commissioner Bender shared Commissioner Ulaszewski's sentiments and stated how nice it must be for staff to see students out of their windows.
